

DIAMOND MINE PATTERN CORRECTIONS:

1. In the cutting instructions the measurements for the “darker shades of green, blue, pink and red” have been inverted with the “lighter shades of green, blue, pink and red”. The correct cutting instructions are:

From the lighter shade of green, blue, pink and red cut:

5 strips 2 inches by the width of the fabric

Cross cut these strips into:

12 rectangles 2 by 8½ inches

12 rectangles 2 by 10½ inches

From the darker shade of green, blue, pink and red cut:

6 strips 2 inches by the width of the fabric

Cross cut these strips into:

12 rectangles 2 by 6½ inches

12 rectangles 2 by 8½ inches

2. In steps 2 and 3 the correct measurement for the diamond is 2½ inches as indicated by the illustration, not 3½ inches as written in the step-by-step instructions.
