Block Three
“Mr. Roosevelt’s Necktie”

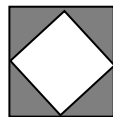

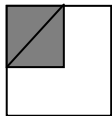

Mr. Roosevelt’s Necktie

From fabrics A, B, C, & D cut 3 – 2” squares

From fabrics E & F cut 2 – 2” squares

From background fabric cut 1 – 3 ½” square

Step 1. Place one A square on one corner of your background square. Draw a diagonal line, stitch on the line, trim the bottom 2 layers and press. Repeat for the remaining corners, using one B, C, and D square. Each of your corners will be a different color. Make 1.

Step 2. See color placement below of remaining squares. Place like color squares adjacent to the center corners, to create the “bow-tie” look.
